**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

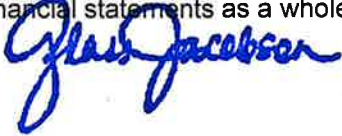

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fund for Global Human Rights, Inc. as of June 30, 2018 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses on Exhibit D is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. FUND FOR GLOBAL HUMAN RIGHTS, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2018

NOTE 1-SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES AND FINANCIAL POLICIES

ORGANIZATION:

The Fund for Global Human Rights, Inc. (the Fund) is a not-for-profit organization as defined under Section 501(c)(3) of the Internal Revenue Code. The Fund was incorporated in the District of Columbia on January 8, 2002 and commenced independent operating activities on September 9, 2002. The Fund's primary purpose is to 1) strengthen the human rights movement globally through direct grant making to local, national and regional human rights organizations; 2) provide technical assistance, services, and tools for human rights workers; and 3) facilitate the exchange of ideas, strategies, and mutual support among otherwise isolated human rights groups.

BASIS OF PRESENTATION:

Financial statement presentation complies with FASB ASC 958-205. Under FASB ASC 958-205, the Fund is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. In addition, the Fund is required to present a statement of cash flows.

CONTRIBUTIONS AND GRANTS:

The Fund receives funding from foundations and individual donors. Contributions, grants and other revenues are recognized when earned. In accordance with FASB ASC 958, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Temporarily restricted donations are recorded as temporarily restricted support and reclassified as net assets released from restrictions in the period the donor-imposed restrictions have been satisfied.

METHOD OF ACCOUNTING:

The accompanying financial statements have been prepared in accordance with generally accepted accounting principles for not-for-profit organizations. They are stated on the accrual basis and include all material receivables and payables.

FIXED ASSETS:

Property and equipment are recorded at cost. Items costing less than \$3,000 are charged to expense when acquired. Depreciation of furniture and equipment is calculated using the straight-line basis over the estimated useful lives of the related assets, generally three to five years.

STATEMENT OF CASH FLOWS

The Fund maintains money market accounts at two financial institutions. The Fund considers all highly liquid investments, including these money market accounts, with a maturity of three months or less when purchased to be cash equivalents. Account balances, at times, may exceed federally insured limits.

ACTIVITIES AND SUPPORTING SERVICES

Grants are made primarily to facilitate the support of human rights organizations in places where there is a great need and access to funding is minimal. Grants are made to qualifying organizations based on approved eligibility requirements.

General and administrative expenses include those that are not directly identifiable to any one activity or donor stipulation, but provide overall support and direction of the Fund as a whole. These include functions necessary to maintain an equitable employment program and manage financial and budgetary responsibilities of the Fund.

INCOME TAXES

The Fund is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code as a publicly supported organization. However, the Fund is subject to tax on net income derived from any such unrelated business activities as provided for under the current tax law. To date, the Fund has not engaged in any such activities.

NOTE 1-SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES AND FINANCIAL POLICIES  
(CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in conformity with the accounting principles generally accepted in the United States of America require management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing various programs and supporting services have been summarized on a functional basis in the statement of activities and changes in net assets. Accordingly, certain costs have been allocated between program and supporting services based on actual expenditures and time spent by management.

FUND FOR GLOBAL HUMAN RIGHTS, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2018

**NOTE 12 – FAIR VALUE MEASUREMENTS**

The Fund adopted FASB ASC 820-10 as amended. The effective date of FASB ASC 820-10 with respect to the fair value measurement and disclosure of financial assets and liabilities, except those that are recognized or disclosed at fair value in the financial statements on a recurring basis, is January 1, 2009. FASB ASC 820-10 defines fair value, establishes a framework for measuring fair value under generally accepted accounting principles and enhances disclosures about fair value measurements. Fair value is defined under FASB ASC 820-10 as the exchange price that would be received for an asset or paid to transfer a liability (“an exit price”) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Valuation techniques used to measure fair value under FASB ASC 820-10 must maximize the use of observable inputs and minimize the use of unobservable inputs. The standard describes a fair value hierarchy based on three levels of inputs, of which the first two are considered observable and the last unobservable, that may be used to measure fair value.

The Fund has time deposit financial instruments that must be measured under the new fair value standard. The Fund currently does not have notes receivable, nonfinancial assets, or nonfinancial liabilities that are required to be measured at fair value on a recurring basis. The Fund’s financial assets are measured using inputs from the Level 1 fair value hierarchy as described as follows:

**Level 1:**

Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date.

The fair values of the Fund’s assets measured on a recurring basis at June 30, 2018 are as follows:

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
Mutual Funds	\$ <u>          -</u>	\$ <u>          -</u>
Total	\$ <u>          -</u>	\$ <u>          -</u>

The fair values of the Fund’s investments are determined by reference to quoted market prices and other relevant information generated by market transactions.

**NOTE 13 – INCOME TAXES**

In June 2006, the Financial Accounting Standards Board (FASB) released FASB ASC 740-10, Income Taxes, that provides guidance for reporting uncertainty in income taxes. For the year ended June 30, 2018, the Fund has documented its consideration of FASB ASC 740-10 and determined that no material uncertain tax positions qualify for either recognition or disclosure in the financial statements.

The Organization’s federal Exempt Organization Tax Returns (Form 990) for 2015, 2016 and 2017 are subject to examination by the IRS, generally for three years after they are filed.

FUND FOR GLOBAL HUMAN RIGHTS, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2018

NOTE 14 – RECENT PRONOUNCEMENTS

In May 2014, the FASB issued Accounting Standards Update No. 2014-09 (“ASU No. 2014-09”), an update to FASB ASC 606, Revenue from Contracts with Customers. This update revises previous revenue recognition standards to improve guidance on revenue recognition requirements. Under the new standard, recognition of revenue occurs when a customer obtains control of promised goods or services in an amount that reflects the consideration which the entity expects to receive in exchange for those goods or services. In addition, the standard requires disclosure of the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The new standard will be effective for The Fund beginning July 1, 2019. The Fund has not determined what impact, if any, the adoption of ASU 2014-09 will have on its financial statements.

In August 2016, the FASB issued Accounting Standards Update No. 2016-14 (“ASU No. 2016-14”), Presentation of Financial Statements of Not-for-Profit Entities. ASU 2016-14 improves the current net asset classification requirements and the information presented in the financial statements and notes about a not-for-profit entity’s liquidity, financial performance and cash flows. ASU 2016-14 is effective for annual financial statements issued for the fiscal years beginning after December 15, 2017 with early adoption permitted. Management has not had the opportunity to determine the impacts this ASU will have on The Fund’s financial statements and related disclosures, and has elected not to early adopt the provisions of this new standard.
